

Can you see yourself at Novo Nordisk when you graduate?

Get inspired - meet us in the Lakeside Lecture Theatres, Merete Barker Auditorium, bld. 1253-211

December 12th at 13:00 (sharp!) – 15:30

Learn about your job opportunities at Novo Nordisk. If you have drive, resourcefulness and a background in natural science, there is probably a type of position that fits you.

From the programme:

- A job at Novo Nordisk – what does that involve? Short presentations by Novo Nordisk employees from Research, Development and Manufacturing
- Facilitated networking. Meet your future colleagues in an informal dialogue
- Coffee, tea and cake

The full program can be found at

Sign up for the event on a first-come-first-served basis via the following link: https://auws.au.dk/Can_you_see_yourself_at_Novo_Nordisk

The number of participants is limited to 120.

Novo Nordisk is a global company offering worldwide opportunities to employees. From research and development, through to manufacturing, marketing and sales, the skills and backgrounds that our employees bring to work are diverse. Our comprehensive value chain offers the potential for you to experience areas of the business outside your initial skill set, so developing your career through in-house as well as external training.

When you work at Novo Nordisk you come to realise that our company culture is more than words on a piece of paper – we live our values every single day. The values are the foundation for our business decisions. We have an inclusive culture where employees feel empowered and consensus is valued. Our commitment to quality and our focus on maintaining high ethical standards goes hand in hand with living up to our responsibilities to shareholders, patients and society. Our values are global, but they are also owned and lived at a local level, providing flexibility and fostering diversity in ideas.
