

AN MBG FOCUS TALK

hosted by Section for Structural Biology
Dept. Molecular Biology & Genetics, Aarhus University

Friday 23 January 2015 at 10:15-11:00

The conference room (3130-303), 3. floor, Gustav Wieds Vej 10C, Aarhus

Malcolm East

School of Biological Sciences
University of Southampton, United Kingdom

Anionic lipids: modulators of membrane protein activity?

The seminar will examine the property of membrane proteins to specifically bind anionic phospholipids and the effects of such interactions on membrane protein activity.

See Malcolm East's university profile

Host:

Poul Nissen, Dept. Molecular Biology & Genetics, Aarhus University
