

# MBG FOCUS TALK

hosted by Simona Radutoiu

**Friday 06 October 2023 at 11:00-12:00**  
1872-547

**Oliver Ebenhöf**

Institute of Quantitative and Theoretical Biology  
at Heinrich-Heine-Universität Düsseldorf

## Thermodynamic models of energy metabolism

*Oliver Ebenhöf's research group focuses on developing mathematical models of plant energy metabolism and photosynthesis as well as methods regarding the production and degradation of biopolymers.*
