

Career Café

Young DANDRITE would like to invite **PhD students at MBG** to our **Career Café** with PhD career consultant and development specialist **Vibeke Broe**, who will give a talk about

Networking and LinkedIn as tools in your job search

Most of you will have heard how essential having a good network is for getting a job whether in academia or in industry. But how do you build a network and how do you use it? In this 1 hour talk, we will discuss the “art” of networking: how you go from contacts to network, how you alert your network and how you can use networking platforms like LinkedIn and benefit from the knowledge and insights your network has.

The Career Café will take place on **Wednesday March 22nd at 13:00 pm**

In the **Faculty club at MBG (1870-816)**

Cake will be served!

We look forward to seeing you all!
