

DEPARTMENT OF
MOLECULAR BIOLOGY AND GENETICS
AARHUS UNIVERSITY

INAUGURAL LECTURE

Simona Radutoiu

"Exploring the Mutualistic Relationship between Plants and
Microbes for Sustainable Food Production"

On the occasion of Simona Radutoiu's appointment as Professor in
Plant Molecular Biology, the Department of Molecular Biology and Genetics
invites colleagues and friends to an inaugural lecture followed by a reception on:

Wednesday 16 August 2023 at 12:00-13:00
MBG's Auditorium, University City (1871-120)

The reception will be held from 13-15 in the canteen (1873-118)

Best wishes

Erik Østergaard Jensen
Head of Department

Registration for the
reception no later than
Thursday 10 August
