DEPARTMENT OF MOLECULAR BIOLOGY AND GENETICS

# OPENING OF THE ART EXHIBITION AT MBG

You are cordially invited to join us at the Department of Molecular Biology and Genetics in celebration of our newly installed art exhibition, courtesy of the Danish Arts Foundation

**Friday 26 January 2024 at 13:00-15:00**

After being welcomed by Jens Stougaard, Head of Department ad interim, there will be an opportunity to meet some of the artists and learn more about our new art collection while enjoying some light refreshments.

Please sign up using the link below before 18 January 2024
